The College of Engineering and Built Environment at DIT & ESB invite you to Access to Apprenticeship Employer Information Session DIT Bolton Street Wednesday, 31st May 2pm – 3.30pm

DIT is working on an innovative pilot programme, funded by the JP Morgan Chase Foundation and the ESB Energy for Generations Fund, which aims to support the transition of young people from Dublin’s inner-city to an apprenticeship of their choice.

DIT is keen to engage as many employers as possible so that we are in a position to offer students a two week work placement in the area of their choice.
